President Report: Jane Rahn

Thank you to all who gave money and/or hours to repealing of SB 5...NO vote on Issue 2.

Many retired members met Sarah Markey from Northeast Region of the National Education Association as she was on loan to help us with Issue 2. She thanked the retired group who when active had fought and won the right to bargain collectively in Ohio.

Throughout the campaign other leaders from NEA and OEA were in the area phone banking and canvassing along with police, fire, AFL-CIO, concerned citizens, nurses, and retired teachers. They were NEA Vice-President Lily Eskelsen, NEA Executive Director Christy Lovings, OEA Vice-President Bill Leibensperger, OEA President Pat Frost-Brooks, OEA Executive Director Larry Wicks, just to name a few. Other leaders from other organizations were AFSCME John Lyall, Pres.; Lee Sanders; Faith-based Communities, D. Fairchild.

OEA FCPE: Carol Kinsey reported that invitations and forms were sent to Josh Mandel and Sherrod Brown for United States Senate screening. It was noted that Josh Mandel outlined his views on education but did not return the required NEA questionnaire. He also did not want to screen by SKYPE or conference call with members on the committee. Sherrod Brown did return required documents and did have a conference call. It was moved that OEA endorse S. Brown. FCPE forms were distributed and \$148 was collected.

Dates:

The NEA-R Regional Conference is now called the NEA-R Leadership Development and Organization Conference. It is tentatively planned for March 27- 30 in TX.

The 2012 NEA-R Annual Meeting is June 27-29, 2012 at the Hyatt Regency Washington on Capitol Hill.

Dec. 2-3, 2011: OEA-R and OEA Representative Assemblies in Columbus.

May 16, 2012 **Spring OEA-R Conference**...save the date... **Get on Board—It's Entertainment**

Location: Entertainment Junction Cincinnati (West Chester) OH 45069 (exit 22 off I-75).

FYI: Round 2: Right to Work Issue. The Gov. is ignoring the voices and votes. Nov. 10, 2012 Columbus Dispatch - The right to work issue is being talked about and considered for placement on the Nov. 2012 ballot. Statistics show that right to work states have lower wages and endanger the safety and health standards that protect workers on the job.
